**ORDER:**

Under the circumstances reported by the Engineer-in-Chief (Irrigation) in the reference read above, Government after careful examination of the proposal hereby accord permission for the drawal of 0.08 cusecs from Rameswaram Channel of Attili Canal by M/s Akula Boards Limited for their paper plant proposed to be set up at Mandapaka (V), Tanuku (M) West Godavari District for consumptive use subject to the following conditions:-

**Conditions:-**

1. The water will be spared on the availability of water in the Canal
2. The entire cost of construction of pump house, pipelines, excavation etc., should be borne by the industry only.
3. Water meter should be installed by the firm at their own cost to measure the water consumed and should be made available to the Departmental authorities and representative of the user shall be at present at all times for inspection.
4. **The Industry should pay water rate at the existing rates as per G.O.Ms.No.39, I&CAD (PW) Department dated 2.4.2002 for consumptive use and subject to revision by the Government from time to time. In case of failure to pay water rate / royalty, the permission to draw water shall stand cancelled forthwith.**
5. No field bodhi or pipeline shall be taken through or along the Government land without approval of Government and if permission is accorded by the Government, the lease of Government land should be paid as fixed by the Government only.
6. The Industry shall obtain the prior concurrence of any Departments for laying pipelines, crossing of Roads etc.
7. The Industry should make their own arrangements for supplementing of water in their premises only.
8. The Industry should make their own arrangements to dispose the treated effluents as per the norms of A.P.Pollution Control Board in their premises only and should obtain prior permission if any required from the Government to dispose the effluents in natural sources.

(P.T.O.)

9. The Irrigation Department reserves the right for cancellation of the permission without assigning any reasons thereof.
  10. The Irrigation Department is not responsible for non-supply of water due to any reasons.
  11. Any other conditions laid down by the Department / Government from time to time are to be followed.
  12. The water drawn from the source should be utilized for the purpose for which permission is accorded only and any misuse in this regard will entail cancellation of the permission without any notice and imposition of penalty.
  13. The Industry has to conclude an agreement with the concerned Superintending Engineer Irrigation Circle Eluru.
  14. The Industry shall pay Security Deposit equal to cost of 2.5% of water drawl for 10 years.
  15. The permission now accorded shall be for a period of 10 years.
  16. The Industry shall obtain prior permission from A.P.Pollution Control Board and consent from District Collector West Godavari.
  17. The Industry shall make its own arrangements for supply of water during the canal closure period.
2. The Engineer-in-Chief (Irrigation) shall take necessary further action in the matter.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
